# Cold Drink Vending Machine TRADITION W64

## Technical details

**TRADITION W64 for cold drinks in cans and bottles – a replica of the famous V44 vendor.**

### Cabinet

- Steel cabinet with two-colour high gloss powder coat finish
- Doors out of steel and strong polystyrol material, two-colour high gloss paint
- Design and control elements made of chromium-plated zinc cast moulding
- Modular construction for easy maintenance
- 2 wheels and strap for transport

### Cooling unit

- Sealed system with R134a refrigerant (free of CFCs)
- Adjustable from 2°C to 15°C

### Control elements

- 5-digit LED display
- Selection lever with easy LH/RH movement
- Bottle opener with crown cork receptacle
- Delivery control to avoid collision of cans and bottles in the delivery compartment

### Electronic

- Microprocessor control unit
- Vend and cash counter
- Password lock for different settings
- MDB or Executive interface

### Payment system

- Coin acceptor with or without change
- Machine can also be operated without coin system in free vend mode
