## Jukeboxes ONE MORE TIME VINYL and BLACK ONYX VINYL

### Technical details

**One More Time Vinyl: world-wide the only nostalgic jukebox for all collectors of old and new single records (45 rpm).**

Chrome and glitter, rotating light columns with magically changing colours. A fascinating spectacle of light and sound. The One More Time Vinyl is a replica of the most famous jukebox in the world, the 1015 of the year 1946.

With today's technology and brilliant sound quality this jukebox is a real treat for the eyes and ears – a real focal point in any location.

**All details provided on this page apply both to the ONE MORE TIME and to the BLACK ONYX vinyl version.**
